

# EMBRACING SPECIALTY EDUCATION AND CERTIFICATION in WOC Nursing Career Development

Numerous credentials and education programs exist to educate nurses in wound and ostomy care. In order to recognize their academic achievements and enable those RN's who have bachelor's degrees to receive specialty education through a WOCN accredited Program, WEB WOC has developed a discount on tuition for the following types of care providers:

- WEB WOC's Skin and Wound Care Associate (SWA<sup>®</sup>) Certificate of Completion
- Wound Treatment Associate (WTA<sup>®</sup>) Certificate of Completion
- Wound Care Certified Certification (WCC<sup>®</sup>) Certification
- Certified Wound Care Specialist (CWS<sup>®</sup>) Certification
- Certified Wound Care Associate (CWCA<sup>®</sup>) Certification
- Ostomy Management Specialist (OMS<sup>®</sup>) Certification
- Ostomy Care Associate (OCA<sup>®</sup>) Certificate of Completion

Hold one of the above certifications? You may qualify for a discount!  
This discount can be applied to both our Traditional & Self-Paced Nursing  
Education Program
